

Dear Customers,

We want to assure you that we take the health and well-being of our community, customers, and employees very seriously. Like you, we're closely monitoring the quickly developing effects of the Coronavirus (**COVID-19**) pandemic.

To prevent the spread of **COVID-19**, Florida Game Rooms will follow the mandate of the county to close all non-essential services. We are temporarily closing our Showroom & Warehouse to protect and care for those who work with us, our customers, and the public.

We are all in this together. We are monitoring our voice messages remotely and our doing our best to respond to each message. We are also actively responding to emails. We look to reopen on April 10th unless otherwise directed by Orange County or the State of Florida to stay closed.
